

**CITY OF HUNTINGTON BEACH
MEMBER OF THE CITY COUNCIL**

DEBBIE COOK

AGE: 50

OCCUPATION: Huntington Beach Councilmember/Attorney

Since my election in 2000, it has been an honor to serve you as Mayor, Mayor Pro Tem, and Councilwoman. It has also been my pleasure to represent you on the Orange County Sanitation District, Orange County Harbors Beaches and Parks Commission, Southern California Association of Governments, Public Cable Television Authority, State of California Desalination Task Force and in various positions with the League of California Cities. As you can see, I have taken advantage of every opportunity to expand my knowledge of local, regional, and state government, to improve our city's relationships with the county, regional boards, and neighboring cities, and to strengthen environmental protections.

Communities are never finished, they constantly evolve. The seven individuals who represent you on the city council will affect the look, the feel, the well-being of Huntington Beach. Conscientious leaders seek out information, support the open exchange of ideas, give voice to the voiceless, and recognize a special obligation to balance the needs of current residents with those of future residents.

With your vote I can continue your work, add great value to your local government, and represent each of you with the passion of purpose and integrity that you demand.
